LOCAL RULES

OUT OF BOUNDS - Defined by the line between the course-side points, at ground level, of white stakes and fence posts, and includes the course-side edge of white lines that tie boundary objects together. All public roads are deemed out of bounds and if not otherwise marked, the course-side edge of the curbing shall be the boundary. In the absence of curbing, the course-side of the asphalt road shall be the boundary.

GATES IN BOUNDARY OBJECTS - Locked gates in boundary objects are integral objects. Unlocked gates in boundary objects are movable obstructions.

PENALTY AREAS - When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds.

GROUND UNDER REPAIR - Defined by white lines. French drains are ground under repair. When immediately adjacent to an immovable obstruction, such an area is part of that obstruction.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged airhorn note. All other types of suspension will be signaled by three consecutive airhorn notes. Resumption of play will be signaled by two short airhorn notes.

WHEN COMPETITION IS FINAL - The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee.
