

## YOU MAKE THE CALL

### Rule 3 The Competition and Rule 4 the Players Equipment

1. If a player runs out of balls they may borrow any conforming ball from another player on the course.  
True or False?
2. A player informed their opponent that they had taken 4 strokes to hole out, not realising that they had been penalised one stroke when they rotated their ball to identify it, without marking it first (Rule 7.3). The opponent, lying 3 on the putting green, then misses the hole with their putt before being informed of the player's breach. The opponent can claim the hole.  
True or False?
3. On the 3rd teeing area, before any stroke had been made, a player who had already lost the first 2 holes of a match, discovers they started the round with 15 clubs in their bag. They are now 4 down after 2 holes.  
True or False?
4. Between holes of a round, a player may use an alignment rod across their shoulders for stretching purposes.  
True or False?
5. Before commencing a match a player declares their handicap as being 18 when their correct handicap was 17. The opponent had a handicap of 15 and the match was being played off three-quarters of the difference. The player is disqualified if they do not correct their handicap mistake before the opponent makes their first stroke.  
True or False?
6. It is not allowed to have a single round competition that combines stroke play and match play.  
True or False?
7. A player may always mark and lift their ball in play to check whether it has been cut.  
True or False?
8. A player who damages their club by throwing it against a wall in frustration after a bad shot, may continue to play with it during the round.  
True or False?
9. When their stroke play round has ended the player must ensure that their marker certifies the hole scores on their scorecard before they return it to the Committee.  
True or False?
10. In a four-ball match, a concession by one member of a side can be withdrawn by their partner, providing it is done before the opponent reaches their ball.
11. True or False?  
Between holes of a round, a player may place an alignment rod on the ground to assist them line up their swing plane while making practice swings close to the teeing area.  
True or False?
12. A player informed their opponent that due to a penalty they had scored 7 on the hole. On the way to the next teeing area the player challenged the opponent who then agreed they had scored 6 and not 5. The player won the hole, as the opponent had given them wrong information on their score for the completed hole.  
True or False?
13. In match play, as no-one else's rights are affected, opponents may agree to miss out one or more holes of the round and treat them as tied (halved).  
True or False? Answer:
14. In match play, a concession has to be made verbally.  
True or False?

15. During a round a player is allowed to use a smart phone to access wind speed and direction in the general area of the course they are playing.

True or False?

16. A player may not carry a stretching device or alignment rod in their bag during a round.

True or False?
