6. A player cannot find their ball and is virtually certain that it had been played by mistake by someone else, as a player from another group was seen making a stroke from the exact area where the ball was thought to have come to rest. The player must retrieve their ball within the allowed 3 minutes search time or take the penalty for a lost ball.  
True or False?
7. In stroke play, a player plays their ball from the wrong tee markers and then plays two more strokes before being advised of their breach. They must add two penalty strokes to their score, meaning that they are lying 5.  
True or False?
8. If a player completely misses their teed ball with their first stroke they may tee another ball anywhere in the teeing area for their second stroke.  
True or False?
9. In stroke play, a player who plays a wrong ball from close to where their original ball was thought to be, is penalised two strokes and may continue play of the hole with the wrong ball.  
True or False?
10. If a player substitutes a ball when not allowed, that ball is a wrong ball.  
True or False?
11. In stroke play on the 1st hole, a player plays from the wrong set of tee markers. As their round has not started the stroke does not count and the player is not subject to penalty.  
True or False?
12. A player may tee their ball on a tee of any length.  
True or False?
13. In match play, after both players start a hole there is no penalty for a player who plays out of turn when it was their opponent's turn to play.
