**STONE PATHS AND DECORATIVE WALLS** are deemed to be obstructions.

**SANDY AREAS** that do not have rakes are deemed to be part of the general area.

Bunkers are sandy areas that have rakes.

**DROP ZONE:** During the play of the 7th hole (Creekside #7) a player may use the Drop Zone located on the middle teeing ground as an additional option for a ball that is known or virtually certain to have come to rest in the red penalty area.

**OUT OF BOUNDS** - defined by inside points, at ground level, of white stakes and fence posts and curbing on public roads/parking lots. Out of Bounds is also defined by the inside edge of white lines identified as OB. **A BALL** which crosses a road defined as out of bounds and comes to rest beyond that road is out of bounds even though it may lie on another part of course. The course side edge of the sidewalk to the left of the penalty area on Creekside #7 defines out of bounds. If a ball enters a tunnel that crosses under a road the ball is out of bounds, the inside edge of the beginning of the tunnel defines the OB. The course side of the sidewalk left of the cartpath on hole 9 (Creekside #9), defines out of bounds.

**SCORING AREA:** Is defined by the painted lines around the scoring tents. The scoring tents are temporary immovable obstructions and the lines define the TIO.
