

UTAH STATE AMATEUR QUALIFIER

LOGAN RIVER GOLF COURSE

JUNE 18, 2021

PLAY will commence from the UGA Tee Markers

OUT OF BOUNDS is defined by inside edge of roads, public sidewalks, white stakes, white lines, white dots, property fence posts or walls at ground level. When defined by a white line the line itself is out of bounds.

POWER POLES and attached netting found through the golf course are integral objects from which relief is not available.

DROPS ZONES can be found on holes 6, 8, 16, & 17 as additional relief options for a ball known or virtually certain to be in the penalty area (Yellow Only). The drop zones will be located short of the penalty areas on each hole. UGA drop zones will be marked as "UGA DZ". All other drop zones not marked as "UGA DZ" found on the golf course must be disregarded.

WHITE LINES, short of greens, used to direct cart traffic, have no status. Relief will not be granted from the line.

DISCONNECTED RED LINES found by the tee box on hole #4 have no status.

CINDERBLOCK WALLS are immovable obstructions. When the cinderblock walls closely border a cart path, they are one obstruction.

DECORATIVE ROCK & AREAS OF BARREN DIRT caused by cart traffic that closely border cart paths are part of the cart path.

TIES: In the event of a tie for the last spot or the alternate spot after 18 holes of stroke play, there will be a hole-by-hole play-off immediately upon the completion of the round. All announcements regarding the play-off, including the sequence of holes, will be made at the scoreboard upon completion of the round.

THE SCORING AREA is defined by the painted lines around the scoring tents. The scoring tents are temporary immovable obstructions, and the lines define the TIO.

PACE OF PLAY: UGA Checkpoint Policy, see scorecard for times.
