Suspension of Play Due to a Dangerous Situation

During the championship, there may be occasions when weather or other emergency requires play to be suspended and participants to move to shelter points on the golf course. In case of lightning, complete evacuation of the course may be necessary. This plan provides for both the shelter and evacuation of players, caddies and officials. Upon initiation of a course evacuation, players, caddies and officials are to proceed promptly to nearest shelter as advised on the evacuation plan. They are to remain at these shelters until the Championship Rules Committee decides to either: (1) resume play or (2) bring everyone back to the clubhouse.

There is 1 shelter point on the golf course:

1. Wasatch Mountain Clubhouse

Rule Officials will help transport players to these shelter points.

NOTE; ALL PRACTICE AREAS ARE CLOSED DURING A SUSPENSION OF PLAY.
